

## Project Idea 2 - Blood Bank Dapp

### Fetchers

B.B details, ✓  
Name ✓  
address location ✓  
Delivery options ✓  
list Blood Group available ✓  
capacity remaining with respect to Blood group ✓  
listing cost based on blood group and quantity.

we need to create 2 dashboard

1. user dashboard - to check blood and handle bank onboarding process
2. Bank personalized dashboard
